Zac Mazzotta, Director  
Division 3 - Vacant  
Mike Battles, GM/Sec

---

January 2, 2017

Dear Landowners and Customers,

Enclosed is your 2017 *Application and Agreement for Water Service*. For the provision of irrigation water, the enclosed form must be completely filled out, signed by the landowner and water user (if different), and returned to the District office with the appropriate payment. While late penalties have been reduced to 10% of the outstanding balance plus monthly interest, please note that no water will be delivered without advance payment or to any property with an outstanding delinquent balance.

### New General Manager Introduction

Happy New Year ACID irrigators from the Staff and Management of Anderson-Cottonwood Irrigation District! My name is Mike Battles, and I was hired as the new General Manager of ACID, on November 1, 2016. I am very excited to be a part of the ACID team, and look forward to many years of working with and serving ACID's customers. I openly welcome all customers of the District to drop into the office at 2810 Silver Street, Anderson to say "hi", or to voice any concerns regarding District operations. Email can also be used to get in contact with me or other office staff.

The 2017 irrigation season looks to be a very good one, with the District being fully staffed for the upcoming season. While there are bound to be some hurdles in the way this season, as there are in most, I am confident that the staff, management, and crews of ACID are up to the task, and are prepared to meet the challenges of a new year and irrigation season. Thank you all for being valued irrigators of ACID, and here is to a great 2017 and beyond!

Sincerely,

Mike Battles  
General Manager, ACID
