

ANDERSON-COTTONWOOD IRRIGATION DISTRICT

POLICY ON BENEFICIAL USE

INTRODUCTION

1. There may be times when unauthorized use of irrigation water from Anderson-Cottonwood Irrigation District occurs that provides a benefit to the user. Such use occurs without appropriate payment being provided to the District, and shifts the burden of the provision of such service to the ratepayers.
2. Beneficial use of District water includes the intentional application of irrigation water for any purpose that provides a benefit to the lands upon which the water is applied, or to the landowner of such lands.

POLICY

Any person or persons who knowingly diverts or allows water of the District to be diverted on their lands shall pay for the total acres benefited as determined by the General Manager.
